

ESF Transnational Cooperation Platform

Peer review on the transition from large-scale institutional care to community-based care

20 April 2021 (online)

AGENDA

Objective of the event	
<p>This peer review will facilitate Community of Practice members in focusing on approaches funded by the European Social Fund (ESF), with other budgets that support transition from large-scale institutional care to community-based care. In particular, the peer review will examine the design and implementation of structural reforms that remove obstacles to change amongst service providers, stakeholders, beneficiaries and their families.</p>
